Dear Friends:

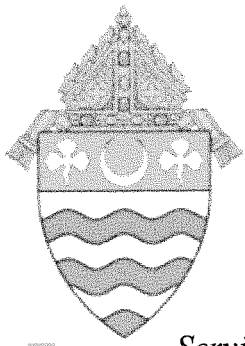

With the start of the Fall Semester rapidly approaching, college students from throughout the Archdiocese will be returning to school. Some of these students reside within the Archdiocese and may be commuting to school and some will be boarding away from their homes but residing in dorms at schools located right here in the Archdiocese. Although the college years present students with many wonderful opportunities, these years also present them with distinct challenges; particularly to living their faith.

The Office of Campus Ministry currently offers *the Newman Apostolate*, a Catholic pastoral outreach to students in college, at 10 secular colleges & universities within the Archdiocese. Our outreach includes Sunday & Weekday Mass on campus, socials, community service opportunities, faith enrichment, retreats and so much more. We need your help, however, in making our outreach known to these students. Studies have shown, and our experience in the ministry supports this, that whatever organizations with which students affiliate early in their college experience they remain with throughout their years in school. By helping us disseminate the attached flyer, you can assist us in telling these young Catholic students that their Church walks with them on their journey of faith, even in non-Catholic schools!

The enclosed flyer can be reproduced and included in your Parish Bulletin, scanned and placed on your Parish Website, or pinned to your Church bulletin boards. Any way you can assist our outreach would be greatly appreciated. If you would like an electronic copy of this flyer, please contact David Prather, Campus Ministry Administrative Assistant, at david.prather@rcan.org or 973-497-4305. Thank you in advance for your help!

In Christ's Peace,

Rev. William P. Sheridan
Director of Campus Ministry/Newman Apostolate
